Re: FOIA Request for EPA Registration Jacket – EPA Registration No. 69850-1

To Whom It May Concern:

Pursuant to the United States Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the Environmental Protection Agency (EPA) rules issued thereunder, 40 C.F.R. Part 2, I am requesting information related to MLPC International's pesticide registration for methylisothiocyanate (MITC).

Specifically, I am seeking all non-CBI records contained in the registration jacket for the pesticide product identified by **EPA Registration No. 69850-1**. Records responsive to this request are contained in files kept by EPA's Office of Pesticide Programs.

If you determine that portions of the requested information are exempt from disclosure, please redact the material deemed to be exempt from disclosure, inform me of the basis for the claimed exemption, and furnish me with copies of those portions of the document that you determine not to be exempt. Consent to such deletion at this time is designed to facilitate a prompt response and in no way waives my right to appeal any determination that may be made regarding the applicability of any FOIA exemptions.

If it is determined that a complete document is exempt from disclosure, please provide me with an index to the document and explain the basis for that conclusion.

I respectfully request that, to the greatest extent possible, all documents and communications responsive to this request be produced in electronic format. Further, please inform me of the assessment of any fees (for example, fees for producing hard copies of responsive documents to the extent electronic versions are not available) associated with this request. If the fees assessed at any point reach or exceed \$100.00, please contact me for approval prior to incurring additional fees.
